

## **Sunny D Children's Theater**

### **ADVANCED PERFORMANCE CAMP**

### **June 7<sup>th</sup> – 19<sup>th</sup>, 2010**

Dear Parents & Campers,

Sunny D Children's Theater has an exciting new addition to our regular Acting Camp. We will still offer the fabulous camp that your children have come to know and love but in addition, we will be holding an "Advanced Performance Camp" at the Blue Ridge Community Theater. This performance camp will coincide exactly with our regular Camp but will offer a more production oriented atmosphere and be comprised of students with more theater experience.

The Performance Camp will be offered to all students from ages 10 and up through auditions that will be held at Blue Ridge Community Theater on **Saturday, June 5<sup>th</sup> at NOON**. Students will need to decide **BEFORE** camp begins if they are interested in auditioning for the Performance Camp and plan to be prepared at the audition. A memorized monologue of two minutes or less will be required of all those auditioning.

Some differences worth mentioning are as follows:

- The camp will be held at the Blue Ridge Community Theater.
- The camp day will be much more intensively focused on rehearsing and acting.
- There will be very little "text book" instruction on theater techniques. Students interested in auditioning will need to have this prior knowledge.
- There will be no crafts.
- Students will be performing a full scale play at the end of camp, not a "skit" so line memorization will be really tough (especially in light of the nature of our genre this year, Shakespeare).
- Students will participate in the construction of the set, props and costumes.

We at Sunny D understand and embrace the fact that a big part of our summer camp is the camaraderie and friendship that many of our students have built throughout the years. PLEASE understand that not all of the students who audition will be cast in the Performance Camp. If you feel that your child has a "buddy" at camp that they do not want to be separated from, they need to understand that risk before auditioning.
